Linda Birdneau

Linda,

I wish our friendship could have started sooner than it did. You've really helped me a lot not only that but you were always there when I needed help. You were always willing to do all you could & I really appreciated it a lot. Best of luck always.

Thanks
Bula

Linda,
You've always been a friend to me, & I know always will be. I was such a great dancer but I do try and stay in touch occasionally, ok? - Good luck always - you're a winner, you know - Love,
Mary Dir

Linda,

Since 10th grade? yyp.
We actually made it & I'm
glad it's almost over. You're
the most genuine & friendliest
person I know. Stay that way—
maybe we'll be together in
the future still—but at
another school—stewardess.
That would be really fun!
I hope we do! good luck,
hope ya make it—stewardess,
that is.

Love always,

Linda,-

To the greatest girl Dic ever known.

I don't think you'll ever realize all you've meant to me these last few years. I it weren't for you I don't think I would have made it through high school let alone my first year of college.

Linda, you're like a member of our family. I've never dated anyone who fit in so well. That's part of your charm. You have the ability to put anyone at ease and you're always nice whether you want to or not. You wouldn't hurt anyone if you could help it. You also worry too much. I wouldn't mind so much you're worrying if you'd just worry a little more about yourself and not everyone else. You're going to have to watch out. You're going to have to build up some defenses or you'll be hurt again. But you will be a big change for you. If you're having problems, just call. You know I'll always be to talk or anything you want.

Best of luck in everything you do. Have fun but be good

I'll love you always.

Linda -

I have truly enjoyed your friendship this year (trite by now, but true) Our pe. conversations were especially interesting - you are so fun to talk to! Playing volley tennis was fabulous, too, on our well-organized and really able team. You're such a friendly girl! Keep up the smiling face and good luck wherever you go. I know this sounds old after six years of signing yearbooks but I mean every word. Take care and I hope we can keep in touch.

Love and very best wishes,

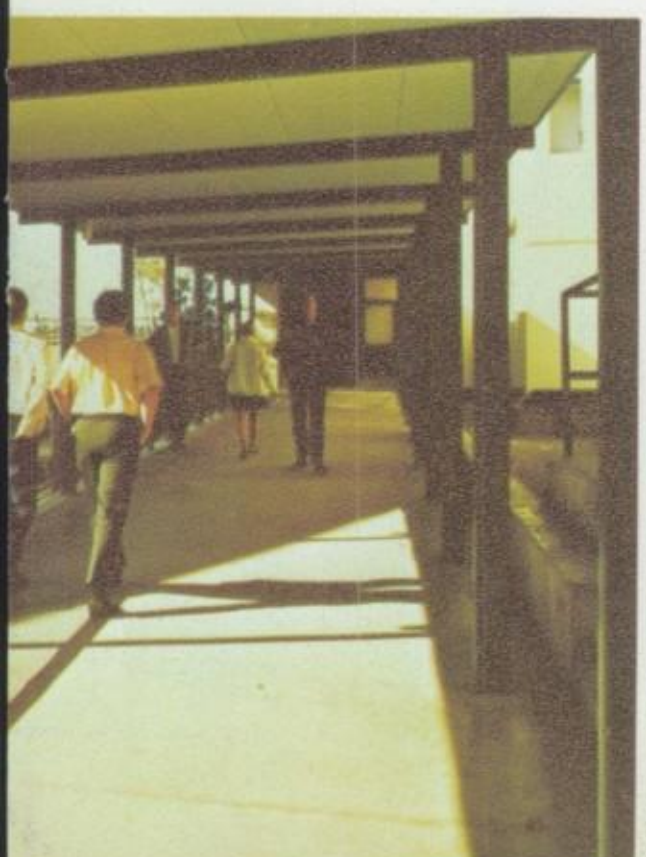
Foreword

A mass of moving color,
Wave on wave,
Diffused and blended,
Youth and life and strength in number
All seen as one.
But certain of the faces,
Standing out
Against a ground of
Shades of gray, are bright and open;
They overshade
The mass of moving color,
Drawing light
To focus on the
Faces in the crowd.



FACES IN A CROWD

Faces, mirrors of thought, are but galleries holding the past, eyeing the future, seeking the unknown; millions of faces — none alike; smiling, a face amid a sky of stars, your fortune; that face which grows and learns and remembers is what sets the theme for the 1969 Talon.

Linda,

It's been fun in Geo's class — of course it didn't touch Pontiac's but then we don't have anything? You're one of the happiest people I know — always smiling and making the most of things. Things shall be different after we graduate - but this there shall always be memories. Thanks for all the light you cast in dull classes.

I wish you all the happiness you can hold in the future.

Bye and Love,

Billie

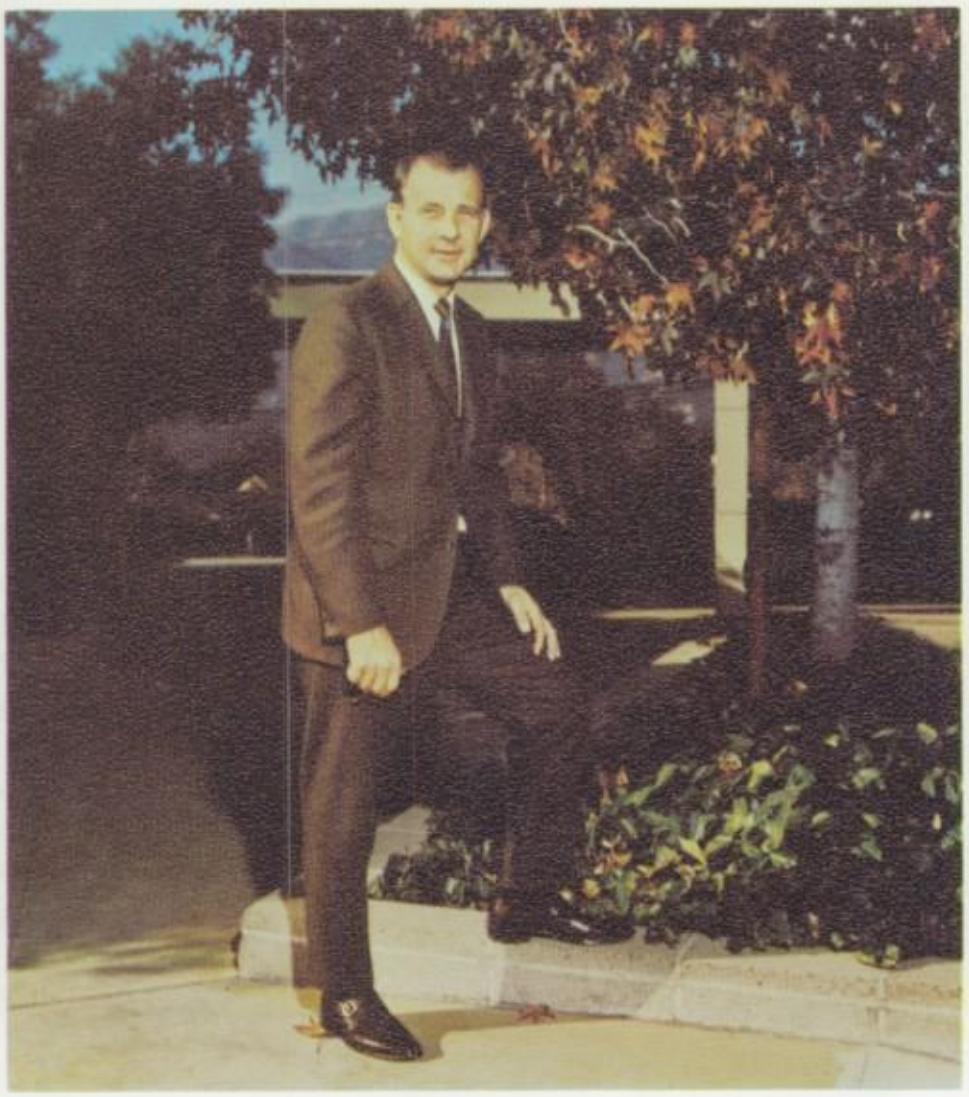
ADMINISTRATION AND FACULTY

A school is far more than a collection of buildings or a group of teachers — it is also the spirit and the attitude of the student body. At Crescenta Valley we are proud of the students and the traditions they have built over the years.

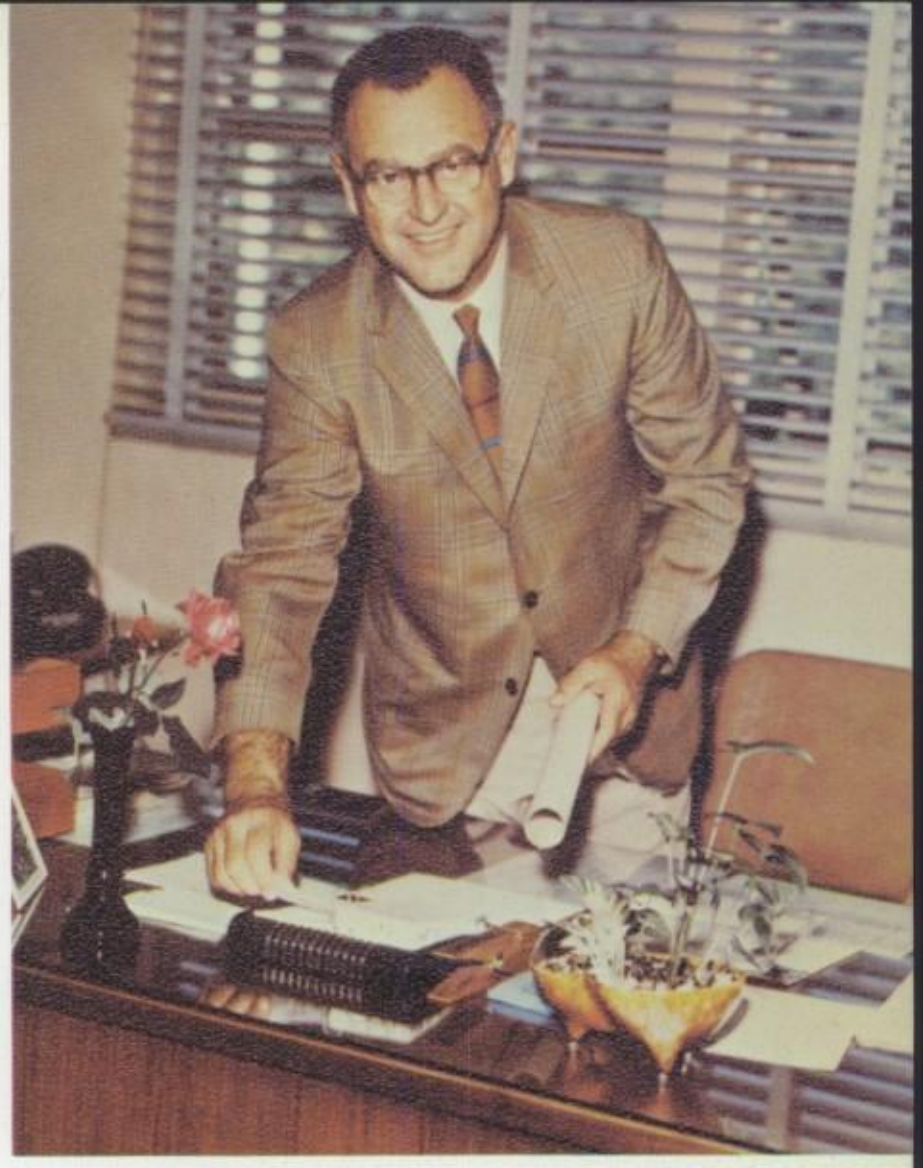
To the senior class goes our sincere appreciation for the many contributions to the school. May each of you have the joy and happiness that goes with success in your future.

Dr. William C. Thomas
Principal

Faces That



Focus Our Future



Responsibility falls heavy on the administration at Crescenta Valley. The vice-principals must organize, supervise, and lead student activities, general discipline, and school guidance programs. The responsibility of protecting the life, health, and well-being of all persons at the school is also part of their job. The most challenging aspect of the advisors position at C.V. is conferring and dealing with students whose attitude has become an obstacle to their education.

Counselors Guide For Future Opportunities and Education

Marian Waring

Anthony Campana

Gary Hess

The counselors are six people with a big job. They keep track of every student at Crescenta Valley. The grades, test scores, future plans, records and programming of each student are in the keeping of one of the counselors.

There are three new counselors this year. Mrs. Florence Gale is serving in this capacity and teaching science at the same time. Mr. Gary Hess taught last year, but he is counseling full-time now. Mrs. Marian Waring is also a newcomer to the counseling staff.

Our Superintendent, Dr. Burtis E. Taylor, is the chief executive officer of the school district. He is appointed to a four-year term by the Glendale Board of Education. He is responsible to the people of the community for the scope and quality of educational programs offered. Assisting him are Dr. Mildred E. Hall, Assistant Superintendent, Educational Service; Dr. Myron A. Hesse, Business Manager; and F. Wayland Parsons, Deputy Superintendent. These educators supervise the areas of personal finance, public relations and school courses.

Citizens Provide For Quality Education

The Glendale Board of Education consists of five members elected for four-year terms by the citizens residing within the boundaries of the school district.

These trustees, who serve without pay, are responsible to the people for all matters that pertain to our schools. Conscientious and dedicated, these citizens are deeply concerned about the quality of education for our thirty thousand students.

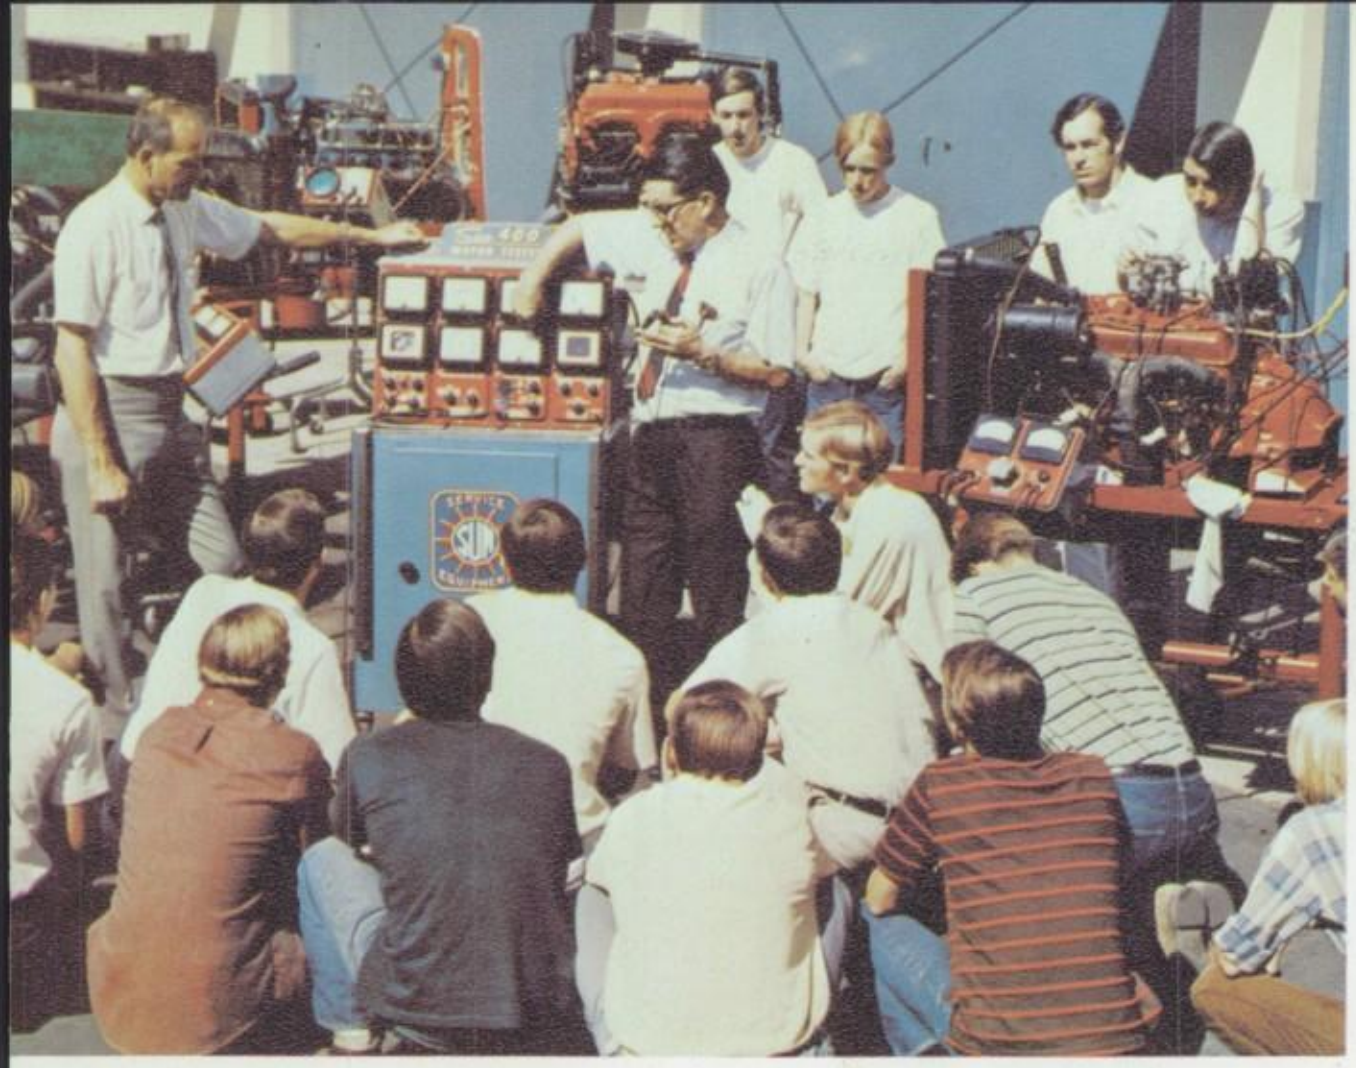
A YEAR
OF ACADEMICS



A continuation of high academic achievement at C.V. is shown annually by the great number of scholarship awards presented to graduating Seniors at the end of the year. Recognition and thanks should be given to the faculty members who encourage and inspire many students to strive for academic superiority.

English Gives Basis for Study

To the student query, "Why do we have to study English?" must come the answer, "To enable you to study and appreciate everything else."

Contemporary life demands the student who can read, write, and speak for study, for work, for enjoyment and for an effective contribution in a democratic society.

Culture and Skills Emphasized in Languages

Recognizing the need in present day living for people of the world to communicate with each other, the Foreign Language Department emphasizes the development of audio-visual skills, with reading and writing in the language as a natural extension of these skills.

Studying the language in this way gives an insight into the cultural background of the people whose language we are learning.

Industrial Arts Train for Tomorrow

In the overall educational complex, the industrial and vocational curriculum is geared toward orienting and preparing the students to live in our industrial society. There are two separate offerings within the curriculum, vocational and avocational, both of which deal with our ever-changing industrial society. Remember, the occupations and materials of today will be obsolete tomorrow.

The Business Education Department recognizes that understanding of basic concepts is imperative today for our students in order to become intelligent consumers and effective members of society. With this in mind, we offer a **job-oriented** program, giving students the opportunity to acquire the knowledge and skills which will prepare them for intelligent citizenship and employment in the business world. We also offer a comprehensive program wherein **college-bound** students may gain a background in economic understanding, as well as develop those skills which are valuable tools on any college campus.

Logical Study Taught Through Mathematics

Mathematics is a way of thinking. It is the logical study of shape, arrangements, and quantity. It must be seen as a pattern and then applied to the solution of specific problems. It is the goal of this department to teach the concepts of mathematics.

Science Works Toward Accuracy and Precision

Through a variety of courses in the many areas of science, it is hoped that a student will gain a rich understanding of science that will be equally valuable to him as a citizen or as a practicing scientist. An appreciation of the need for accuracy and precision in analyzing data gathered from experimental work is the goal of all science courses.

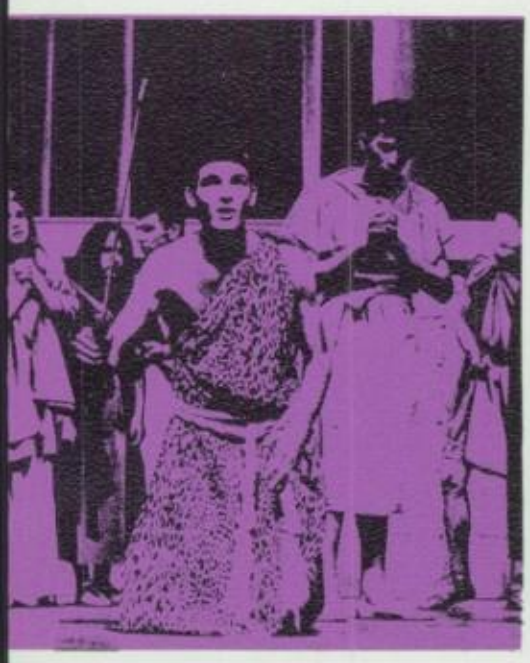
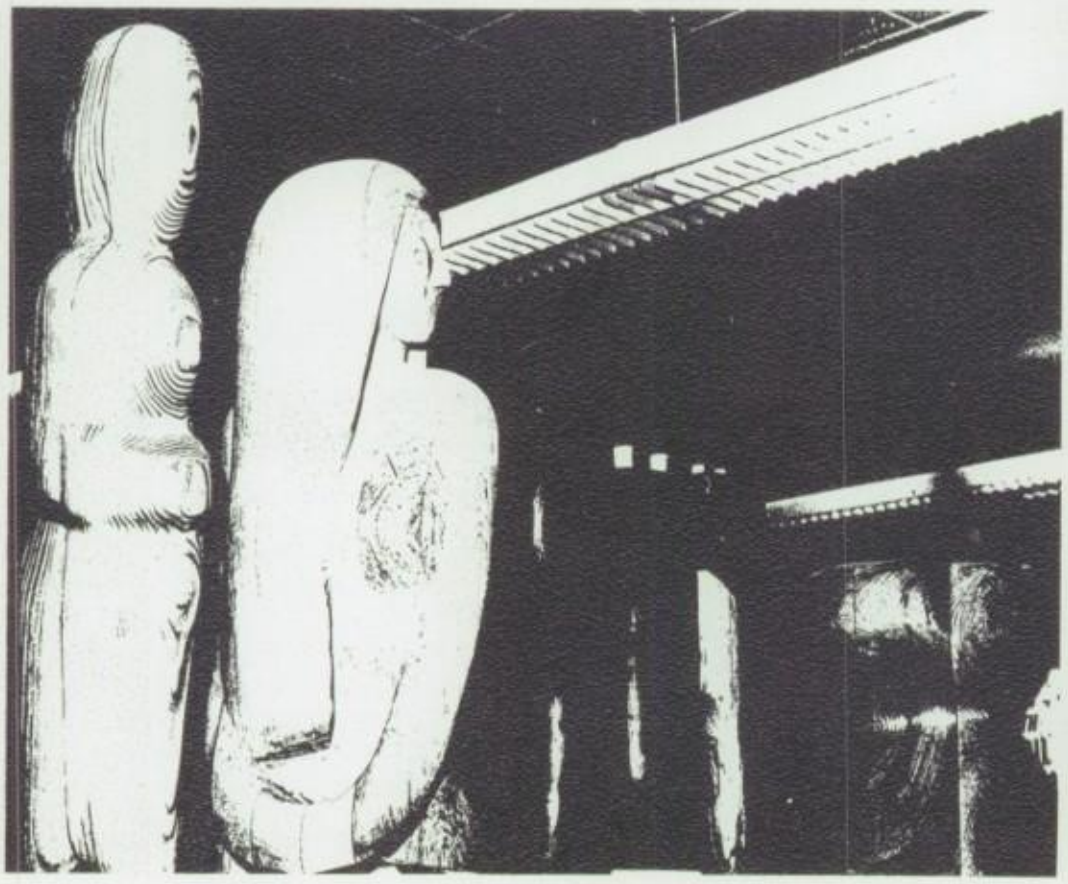
FINE ARTS





The choral department, under the masterful direction of Miss Shirley Nute, began a successful year with Sports Night, which took place on October 26. This event served to help all the members of the department get acquainted with each other. Also during the first semester was one of the year's three major concerts — the traditional Christmas program, with "Feast of Lights" as the theme.

The year's schedule also included many "sing-outs" at various places in the community, and participation in two choral festivals. The second semester saw two more major concerts — A Cappella's Pops Concert and the spring concert, after which another Sports Night was held for the performers.

Inter-Choral Council served as the activity-planning body for the year. The Council is made up of the officers elected in each of the classes. Heading the group first semester was Ric DuRand. Second semester president was Carl Whisler.

This year, a member of A Capella, Carl Whisler, was the winner of an Arion Award for his vocal talents. Carl will also be traveling to Europe this summer along with Diane Clark, John Hicks and Kathy Simpson, with The Youth Chorale Concert Tour.

The Ark Provides for Student Expression

For the third year, Crescenta Valley has thoughtfully provided an outlet for student creativity and expression via a literary journal entitled **The Ark. The Ark** staff, under the supervision of Mr. William Thomas, publishes a book entirely devoted to essays, plays, stories, and poems by C.V. students, which have been accepted on the basis of organization and originality. **The Ark** is an excellent representation of student thoughts and ideas and is well worth remaining a tradition of Crescenta Valley.

Months Of Practice Culminate

In A Potpourri Of Dance

After months of hard practice and preparation, Mrs. Dedrick's fifth and sixth period dance classes put on a dance concert on Thursday, March 27th, in C. V.'s auditorium. The numbers were choreographed by the girls themselves, and the dancers also made their own costumes, worked on publicity, and sold tickets. Many countries and times were represented, from a Tahitian hulu to a Greek folk dance and from a Roaring Twenties Charleston to symbolic dances of the future.

(l to r) Sue Skibinski, Margaret Jaeger, Cindy Salmacia, Paula Miller, and Cindy Hoydic did a mystical Indian folk dance to the sound of "Punjabi".

Karen Barbee (1) and Dori Dysland (r) performed professionally with their interpretation of tragedy and comedy to the music of "Time".

Linda,
I'm really glad you
helped us out on our
team once in awhile,
we needed all the
help we could get!!
Just because it's
the last year, I hope it's

I'm sure you'll

wherever you go.
Love,
Chris

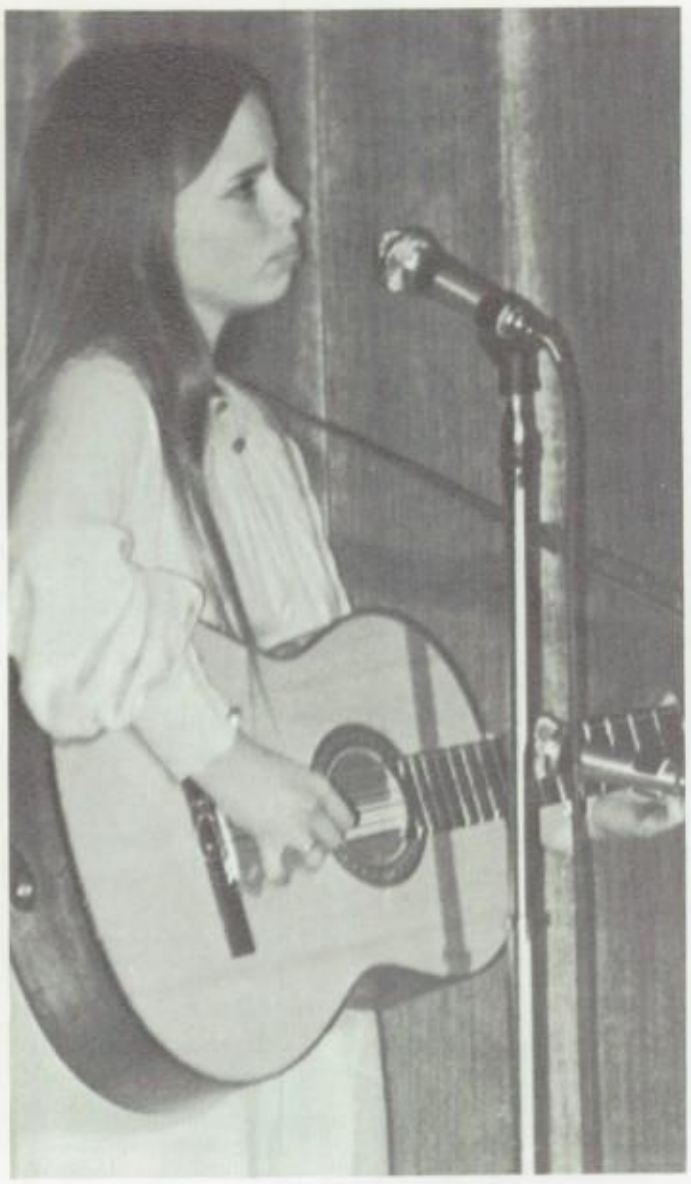
Bands And Orchestras Produce Instrumental Sounds Throughout The Year

Crescenta Valley's abundant instrumental groups, directed by Mr. Cease, have provided for excellent musical accompaniment throughout the year. The Marching Band, made up of members from the other bands and orchestral groups, gave lively performances at football and basketball games, under the able direction of drum major Steve Held. The Dance Band and the Concert Band joined A Cappella in the annual Pops Concert to present modern sounds. The bands and orchestras also performed in several other concerts and festivals. Directing the activities for the year was the Band Council and student director Steve Held.

C. V.'s star instrumentalist, Amy Jo Booth, won both the Arion Award and the Bank of America Award for her fine musical talents.

From left to right: Carol Key, Charles Ember, Frances Moore, Sydney Sowles, Gail Comstock, Lloyd Bryant, Paul Bodin, Roger Niemeyer, Debbi Hyde, Karen Rice, Chuck Steadman, Bruce Freeman, Rich Euson, Nancy Morrison, Pam Jamgochian.

String Orchestra



Audrey Ellis sang "Very Last Day," one of Peter, Paul and Mary's compositions and one of her own entitled "Life's Not A Dream".

Crescenta Valley's annual talent show entitled, simply enough, "The Show", took place on Saturday night, March 1st, in MacDonald Auditorium. The talent show is a perfect way by which talented students may use their gifts for the entertainment of other students and Valley residents. Acts were chosen by a panel of student judges and the show itself was arranged by Director of Assemblies, Kevin Lindsay. "The Show" included two bands, several singing groups and soloists, and even a magic act!

Melanie Anderson, accompanied by her mother at the piano, sang "Matchmaker" and "I Will Wait For You".

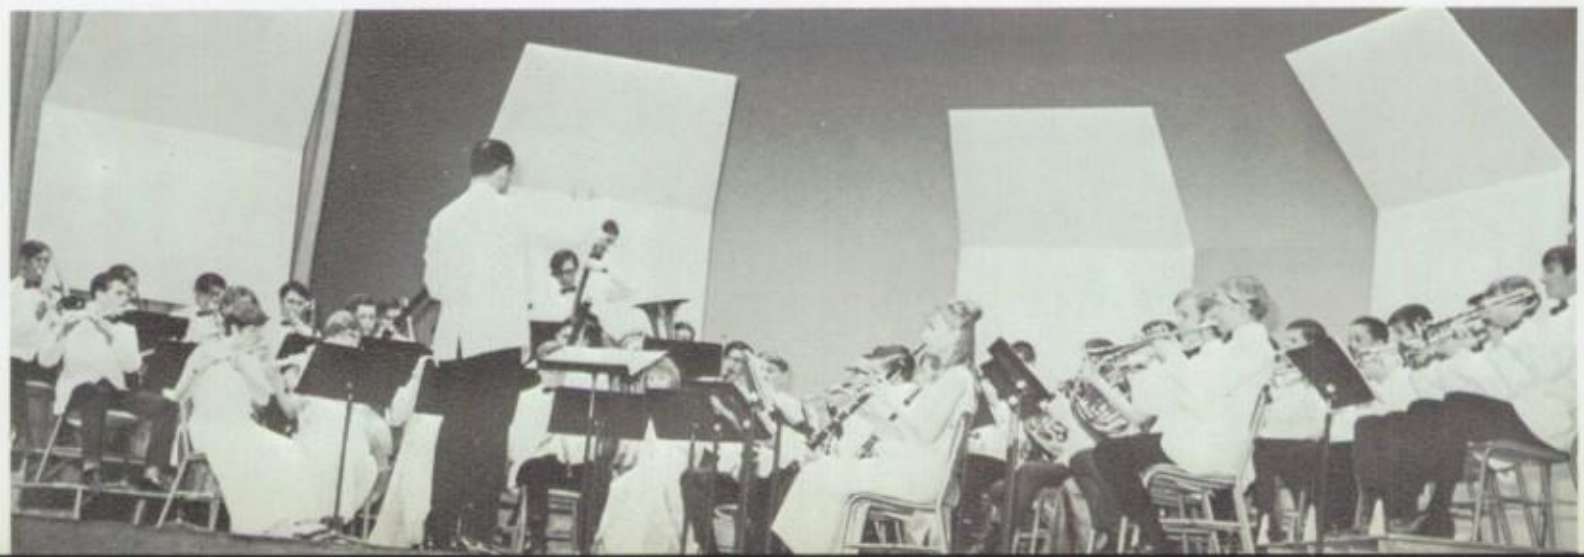
Modern Sounds Fill The Air At Pops Concert

Miss Nute beams after receiving an appreciation gift of roses from choir president Carl Whisler.

Cozette Capp, John Hicks, Cathie Lange, John Simpson, Becky Scully, Steve Adrianse, Judy Kroeger, Ric DuRand, Peggy Moore, and Mark Hellikson (arm showing) sang "Windy" by the Association.

The Concert Band presented their tuneful versions of "Dixieland Jamboree" and "An American in Paris".



Ric DuRand (left) sang "Sad Memories", accompanied by Kenny Hicks on the guitar.

Kevin Lindsay soloed with "The Impossible Dream" from **Man of La Mancha.**

On Saturday night, March 8th, C. V. students, their parents, and other Valley residents delighted once again to the sounds of Crescenta Valley's yearly Pops Concert. Performing was the A Cappella Choir, the Concert Band, and the Dance Band. The choir, along with several soloists and ensembles, sang popular tunes from Broadway musicals, such as "Little Bird, Little Bird" from **Man of La Mancha** and a medley of songs from **West Side Story.** The Dance Band favored the audience with such compositions as "Taste of Honey" and "Thunderball", and the Concert Band gave a professional performance with "Dixieland Jamboree" and "An American in Paris".

The Dance Band, led by Mr. Cease, performed many popular songs, including "Thunderball" and "Taste of Honey".

Captains and Coaching Staff

Mark Travaille and **Steve Holmoe,** shown here with head coach **Warnock,** were the elected captains of the 1968 Varsity Football Team. Their utmost dedication helped form the team into a single unit with the sole purpose of winning. Their leadership along with their tremendous playing ability were a great asset to the team.

Below is the coaching staff that put together the 1968 Football teams. They worked extremely hard, putting in many, many hours of work and very few hours of sleep. Their teams and their school owe them one "heckuva" lot. They are from left: **Jeff Pries** — West. U., **Craig Bell** — U.S.C., **Ken Biermann** — L.A. Terry Olson hurdles over for another C.V. victory.

John Toth finishes number one.

C.V. is led by co-captians Dan Chapman and John Toth who already have recorded some of the best marks in the C.I.F. standings. Dan has run a 9:30.3 in the two mile and has recorded a 4:28.8 mile this far. John Toth has blazed a 49.6 in the 440 and it looks like he will lower this time before the end of the year.

C.V. is well represented in the sprints by John Perry 10.2, John Toth 10.2, Terry Olson 10.2, and Bob Lukehart 10.4. In the hurdles, Terry Olson leads the way with a 21.0 clocking in the lows and is followed closely by Chuck Steadman's 21.1. The high hurdles are represented by Chuck Steadman, Bob Peterman, and Steve Adams. In the two mile, Rick Carter has run a 10:02 and Tom Gordon has clocked a 10:25.5. John Wells has the record best of 10:44 in the field Events. Ted O'Miela and Tim Hegemier have closed over five feet ten inches in the high jump.

In the long jump, Jim Walters has leaped farther than any sophomore in C.V. history by leaping 21'. Dave White has jumped 20'2" so far this year. In the shot putt Larry Smith helped by putting a 48'6".

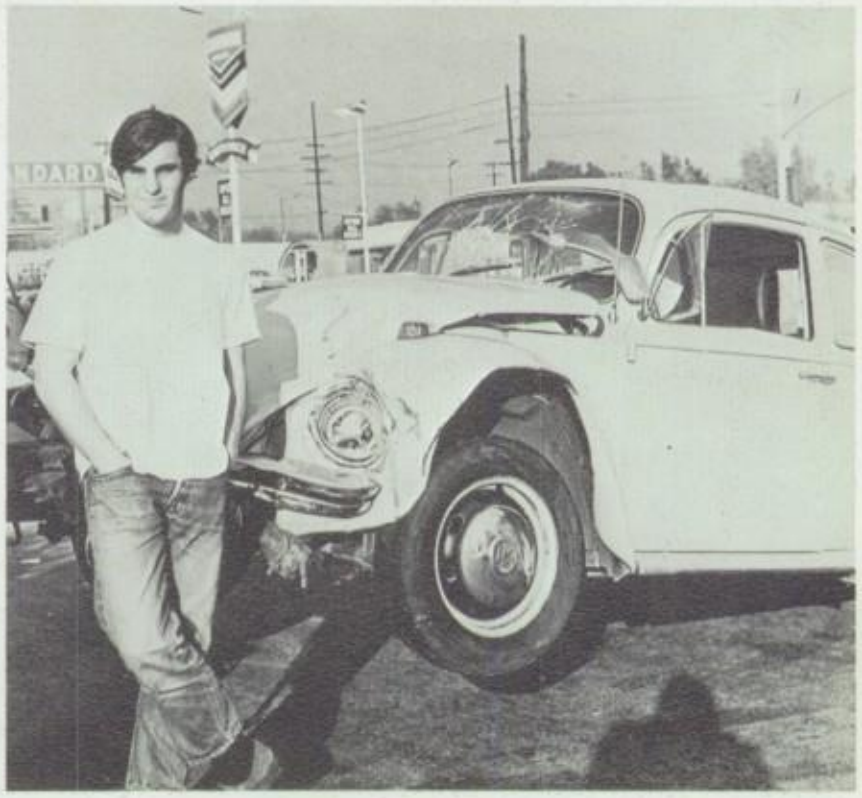
STUDENT LIFE



We

Live the Life We Choose...

We live the life we choose in order to strive for the goals we set. Student Life offers a break from the academic through school activities.

This is a very personalized area of school life. Each person has a choice as to whether he will participate or not. For pure enjoyment there are after game dances, sponsored by the ASB cabinet. Highlighting the year are the special events: the Junior and Senior Proms, the Backwards Dance, Class Competition Day, and concerts.

In Student Life, the faces in the crowd become more distinct and individuals establish their own place. For those who do enjoy more than academic activities, CV offers many functions for active participation.

In this section, the members of the Talon staff hope to portray a glimpse into Crescenta Valley life.

Girls' League Brings

On November 16, 1968 (Sadie Hawkins Day), Girls' League sponsored Crescenta Valley's annual Backwards Dance to the exuberant theme of "Carnival!" The gym was transformed into the Big Top. The Port of Entry was featured in the center of the floor, surrounded by bright colored balloons.

A canopy was constructed for the court (pictured above). In the girls physical education classes, members of the student body were permitted to nominate Senior clowns to serve on the court.

Halfway through the evening, Girls' League President Nancy Jimenez bestowed royalty to King Steve Holmoe. The king was flanked by Princes (left to right) Puni, Mark Travaille, Ed Morsey, and Gary Knapp.

Carnival to Crescenta

In addition to the decorated walls and ceiling of the gym, the cafeteria featured the animals of the circus. The Union Ice Company provided music and entertainment for the couples. Refreshments were given opposite the cafeteria.

Pictured below is the court with their dates. From left to right they are M. Punithakumar, Sue Jacobsen, Mark Travaille, Jil Griffith, Lisa Doran, Steve Holmoe, Pam Maranville, Ed Morsey, Chris Reinhard, and Gary Knapp. All members of the court were presented with gifts from the Girls' League Board. All couples who attended this event were given helium balloons as party favors.

C.V. Turns Back The Clock

On November 8th, Crescenta Valley welcomed the alumni of five years' past. The football team provided a very exciting game as Burroughs tied C.V. 14-14 in the last few minutes of play.

The great display of spirit by the 1968-69 student body impressed upon the former graduates the fine standards maintained at C.V.

The highlight of the evening was the coronation of the Queen between the B and Varsity games. Queen Karolyn Kiisel was escorted by Senior Class President Glenn Austin. Senior Princesses Claudia Colvey and Theresa D'Alvia were escorted by Woody Walker and Ted O'Miela.

Donna Esselstrom, escorted by Jim Davidson, was chosen by the Class of 1970 to be their Junior Princess. Representing the Sophomore Class for their first Homecoming was Jan Cooper, escorted by Junior Class President Carl Edwards.

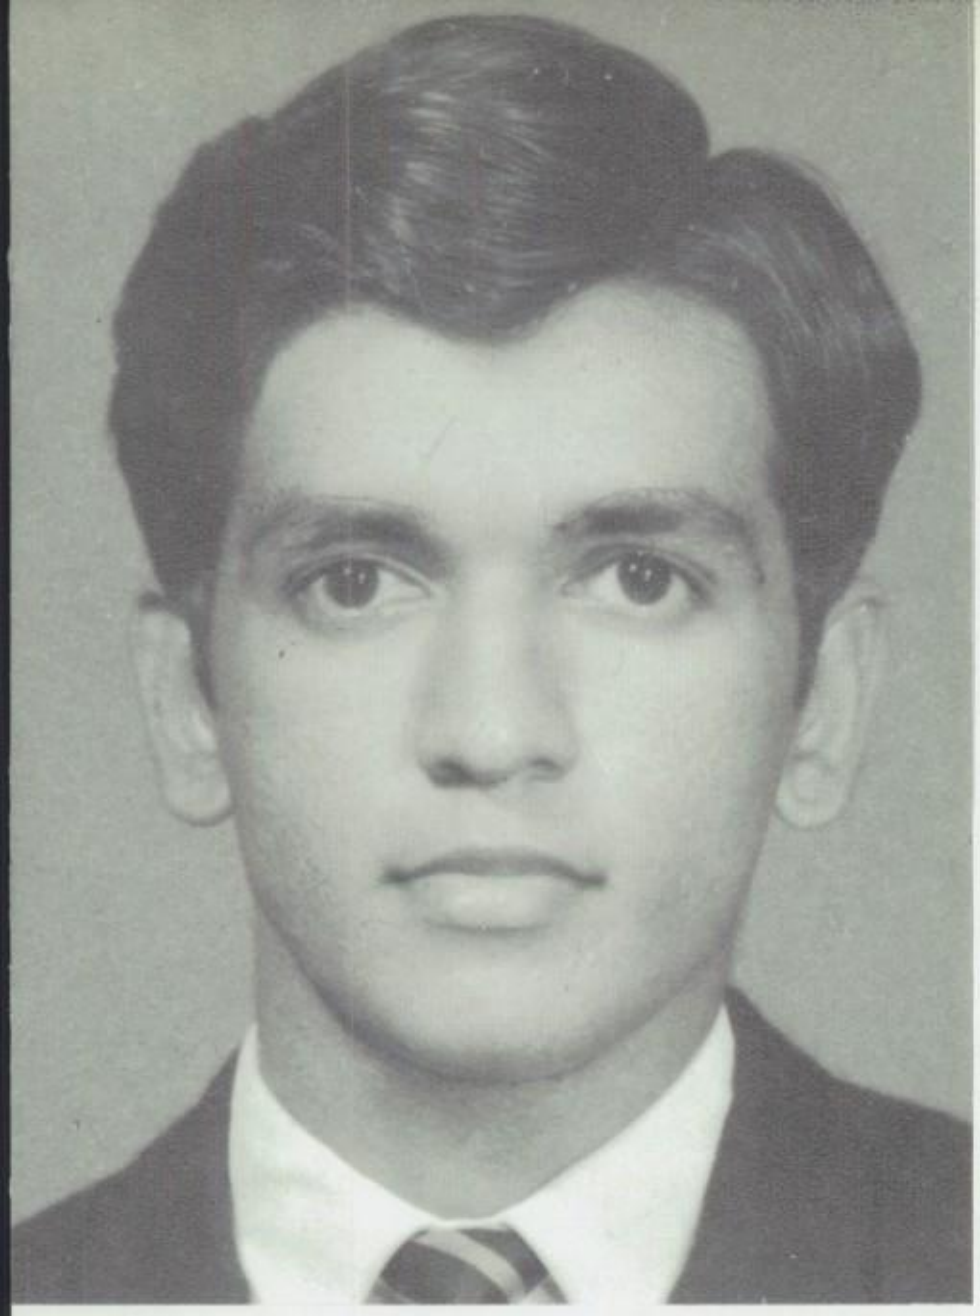
On December 14, the Junior Class brought the exotic touch of the Orient to C.V. through this year's annual Junior Prom. Tropical plants, a waterfall, and a Taj Mahal accented the theme which, incidentally, means "Magic of the Indian Moonlight". Junior Class President Carl Edwards, in a top hat, cane, and tails, crowned Sue Sealock (above). Sue and her escort, Craig Kudrle, then reigned for the evening (left).

The Junior Prom Features "Inthia Nilavin Manthiram"

Formals, smiles, and dancing captured the magical moment of the Junior Prom's spell and preserved it in the memory of each couple who attended the event. Among these couples are the members of the court: Princesses Coleen Taft and escort Gary Grant, Dale Rende and escort Clay Mertes, Karen Blakeney and escort Mike Hartwig, Queen Sue Sealock and escort Craig Kudrle, Jodie Cornwall and escort John Selling, Jill Campbell and John Hays.



Thanks to the very friendly and helpful students, my year at CV has been a memorable one; and, although I am thousands of miles away from home, I haven't found a single day when I felt lonely.

Attending a co-educational school, not wearing school uniforms, and having friendly relationships with teachers have been some of my new experiences at CV. The ball games, half-time displays by the drill team, dances, and assemblies were just fantastic.

I am also very grateful to the Administration and the Faculty for the tremendous interest shown towards me. On behalf of the AFS, I thank you very much for the valuable contributions made towards AFS. I wish CV great success in the coming years. CV has oriented me towards my future career and I take great pride in calling myself a CV student. I shall never lose the "FALCON" spirit and here at CV, my heart will ever be.

M. Punithakumar
Puni

Puni attended Royal College in Colombo, Ceylon before coming to the United States. He has taken an active part in campus life by representing the school in football and tennis. He is a member of AFS club, Key club, CSF, Student Cabinet, and Senior Class Council.

AFS Brings International Flavor To C.V.

This year has been one of the very best in my life. I am very thankful to all the people that made this year in California a year I will and can never forget. In this statement, I want to give a special "Thank You" to the people of this country.

I feel myself very lucky to get the opportunity and chance to come to this country and school for this year, for by the exchange of ideas and having new experiences I have learned so much.

California has now a very special meaining for me. This year it became my second Fatherland. I hope that once again I will be able to return to the United States. At this time I will surely come and see Crescenta Valley High School.

Hanneke Carlier

In the Netherlands, Hanneke has one brother, Frank, and two sisters, Maria and Josee, (respective ages are 20, 19, and 17). She resided with the Clark family and had one American sister and a brother. Her activities were Girls' Glee, Student Government, and active participation in all campus planning and attendance at our major events. She wants to become a nurse when she returns to the Netherlands.

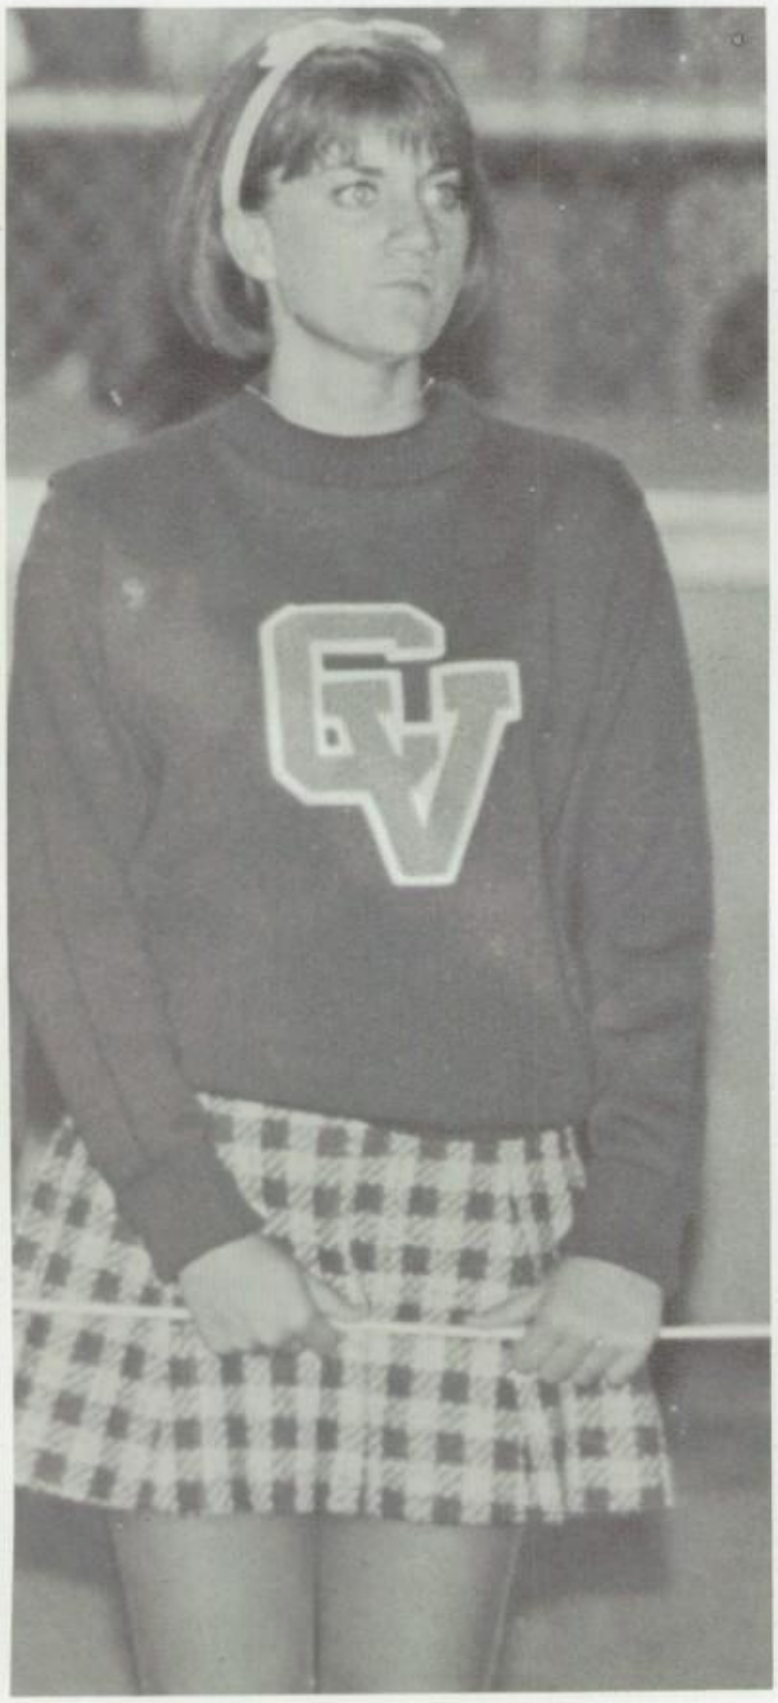
DRILL TEAM



Faces Express the Mood of the Moment

Spirit Leads

The foundation for spirit at CV is composed of the Pep Squads led by the Director of School Spirit. She organizes the pep activities which the Varsity Cheerleaders, Songleaders, and B Cheerleaders plan and perform.

Pep at CV is usually centered around the Varsity Cheerleaders and vivacious Songleaders. They are chosen by the student body after eliminations are made by a panel of judges composed of teachers, cabinet members, and previous year's Pep Squads. Songleaders are also required to serve one semester on Drill Team prior to their election.

Above: The total pep squad gets together to exemplify school spirit. Seated on the wall are John Simpson and Jil Griffith. Seated below them are Mary Pat Taft, Claudia Colvey. The Way

The B Cheerleaders serve in their junior year and provide spirit at B team activities.

Our Drum Major is seen leading the Band and Drill Team at football games and parades. For her second year, our Drum Majorette has added the extra flair to the half-time shows. The crowd always responds enthusiastically to her fire-baton.

Representing the Drill Team in front of the stands are the Flag Girls. Flag Girls lead a double life, performing with the Drill Team at half-time shows, parades, and also helping the Varsity Cheerleaders and Songleaders during the game.

Last, but one of the most important, is the Falcon mascot who is seen promoting Spirit and Sportsmanship in front of the stands. Two girls, selected by the Pep Club, alternate as the "Bird" each week.

Biltmore Hosts Class of '69 Senior Prom

The Class of '69 celebrated its three successful years at Crescenta Valley with the much anticipated annual Senior Prom. The Biltmore Hotel in Pershing Square, Los Angeles, held the Prom in its Versailles ballroom. The ballroom was decorated in the style of a Versailles palace, complete with balconies, gilded ceiling, and a velvet blue Colonnade Room.

Senior Class President Glenn Austin had the honor of bestowing Queen Kathy Speshyock with her crown and roses. The coronation took place half-way through the evening in the center balcony and stage while the attending couples watched from the floor below.

Other members of Queen Kathy's court are: Hanneke Carlier, Cindy Collins, Jil Griffith, Kris Keating, Yvonne Van Lighten, and Sue Ward.

The senior girls were chosen exclusively by members of their class.

Clubs Serve The School And Community

The purpose of Key club is to foster fellowship and service for high school boys. It is sponsored by the local Kiwanis club.

Through the course of the year, Key club has taken on large service projects. On Halloween, the club collected candy for the Children's Hospital. They usher for all school events, sponsored a debate between ASB presidential candidates, and held a Parent-Appreciation Banquet. The main project was the collection of over $1000 worth of new clothes for the Aliso Village Federal Housing Project Christmas Party.

The club boasts a membership of over 60 participants. Officers for the '68-'69 year are Matt Miller, president; Bill Cazier, vice-president; Jack Anhalt, secretary; Steve Thomas, treasurer; Rick Euson, sergeant at arms; Carl Racine, senior rep; Larry Kott, sophomore rep. The faculty advisors are Mr. Adison and Mr. Nemecek.

Mu Alpha Theta at Crescenta Valley means the Math Club (pictured below). Now in its 4th year at CV, the club has grown to 122 members. We are affiliated with the National chapter.

To belong to the local club, one must have completed Algebra 1-2 with at least a C grade. To belong to the National chapter, one must have completed math through Geometry with at least a B average and be currently enrolled in higher math. In 1969, there are 72 such members in the club.

Mu Alpha Theta meets every other Thursday and has many varied activities such as BBQ, swimming, going to sporting events, and field trips.

Officers for '68-'69 are President Dave Casler, Vice President Scott Cook, Secretary-Treasurer Dave Kenagy, and Social Chairman Eva Operskalski.

The Math Club conducts its meeting.

Drill Team: Spirit and Work Declare Its Fame

This year the Drill Team presented its first annual Spring Show under the direction of Kathy Simpson, Head Captain Theresa D'Alvia, and Carla Noceti (pictured at left). Ten countries (whose costumes are shown below) were featured to the theme of "Ring Around The World." Extra time went in to design the props, costumes, and original dance routines.

Few people realize the time and hard work put in by the 73 members of Drill Team to provide entertainment at football and basketball games.

The girls came consistantly at 7:30 A.M. for five months in order to prepare themselves for parades and competitions. Led by faculty advisor Ardyce Buckalew, the girls added spirit to all major school activities.

OF STUDENT BODY

Student government can be a very worthwhile and effective part of a schools existence and development. It can be more than merely a body which organizes activities for the students. It can and must become a body whose opinions and attitudes are respected by the administration and faculty as being representative of the students who must demonstrate responsibility and sensitivity. Today there are many students with important and legitimate attitudes which can be a great help to the administration in giving insights into trends of thought. They have their voices in their elected representatives in student cabinet. In this light, they must intelligently choose their representatives; and, in this light the administration must acknowledge the need for these students to have a voice in many of the decisions which govern them. As this voice, student cabinet must be informed of the policies and decisions, however trivial, which affect the students. In this way they can understand the reasons for the decision and be heard concerning the important ones. Of course, its true that cabinet may have no influence on many decisions. However, with some issues, the cabinet may have facts and attitudes which have not nor could not be contained by the other generation. In this instance, a decision may be influenced a great deal and student government begins to become a meaningful element of education.

Student Activities

It is the function of the Associated Student Body to represent the students to the Administration and Faculty. C.V.'s cabinet is responsible for planning and organizing extra-cirricular activities.

The officers provide a cross section of student interests on the cabinet. The fine arts department, English and journalism (as publicity), each grade level, and assembly representative all play a part in the student government.

Elections are held at the end of the year for the fall semester and in June for the spring semester. Some departments are represented by a student for the full year.

Student government is made possible and functions by the students of C.V. Their participation and interest make this organization successful.

New sophomore girls' club helps promote C.V. spirit.

We've got it!

C.V. is known for its good sportsmanship, its wide student participation, and spirit in support of athletics. The main group supporting and promoting our outstanding school spirit is the Pep Club. They're at every game in white, to cheer our team on. This year a new pep group, the Blue Belles, composed of sophomore girls, has been formed on campus. With the help of these two active groups, C.V. spirit was kept at its usual high peak.

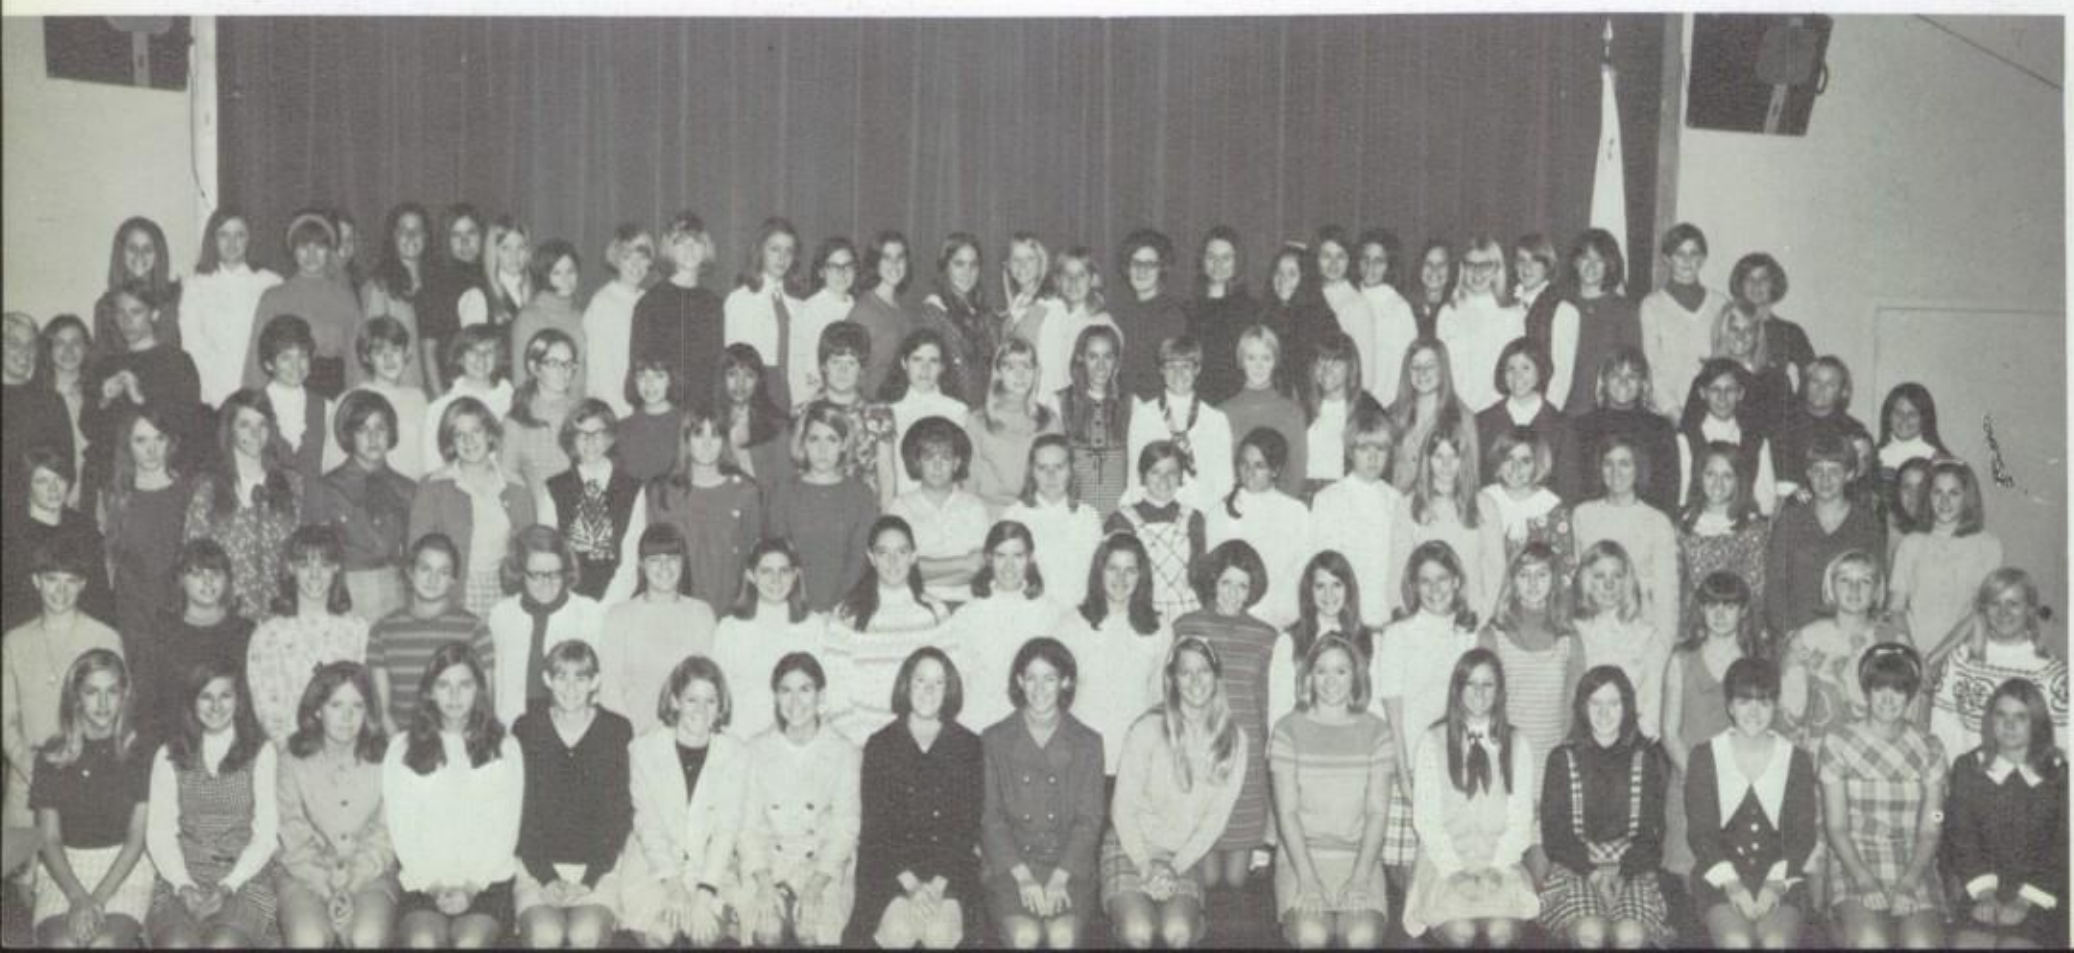
They want it!

Can't have it!

What is it?

C.V. SPIRIT

"We've got spirit and it's fine."



The Thomas Jefferson Forum or the Social Science Club was re-formed this year under the faculty direction of Mr. Powell and Mr. Keyes. Both are teachers in C.V.'s history department. Rich Euson leads the club as President.

The Forum's main functions involve bringing topics of interest to the student body. This ranges from guest speakers to student discussion to debates with representatives from contrasting groups.

The Forum has tried to bring such groups as the SDS and the YAF, and representatives from the Peace Corps and the VISTA program. Their object has been to stimulate student thinking in world affairs or immediate situations that exist in the country.

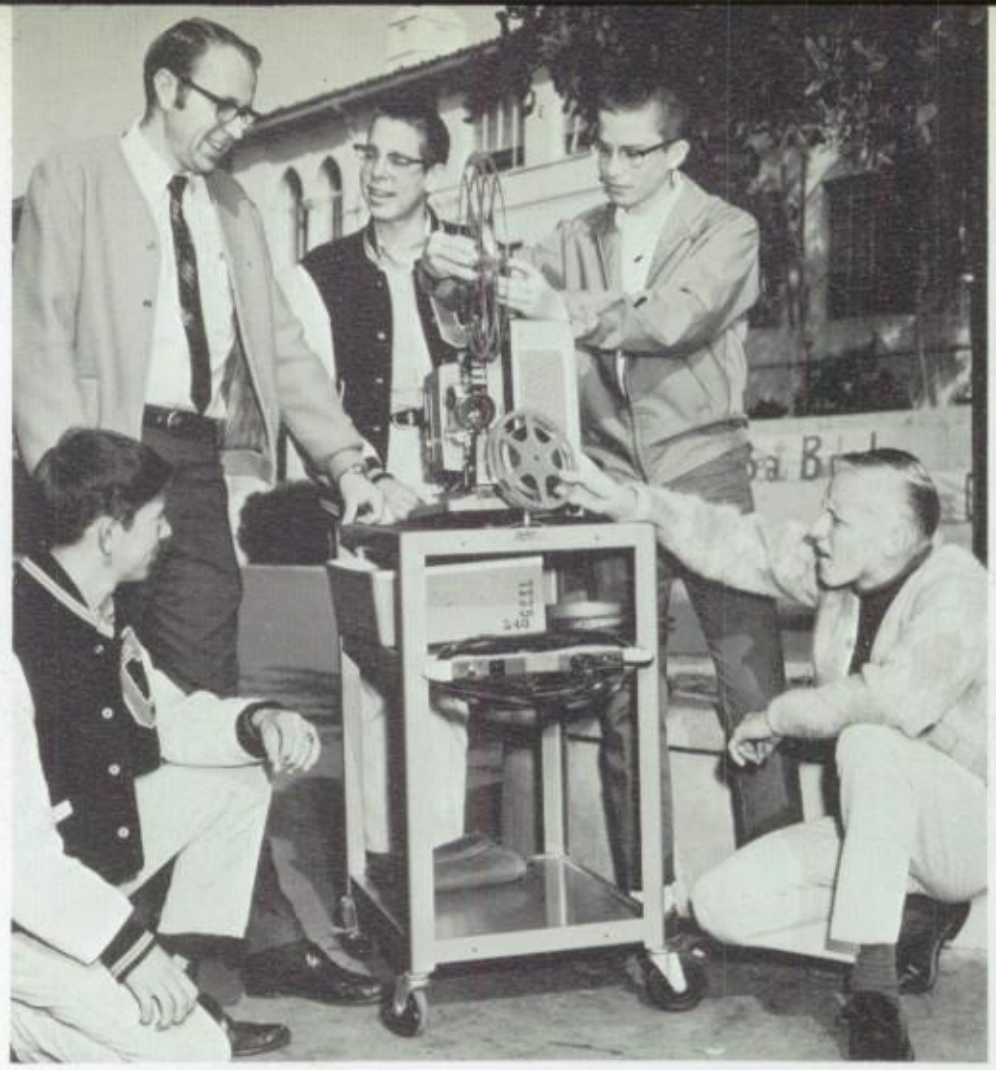
Thomas Jefferson Forum Presents Contemporary Thoughts of Today And AFS Promotes International Culture At C.V.

The AFS chapter at C.V. (American Field Service) is primarily interested in sending Crescenta Valley juniors or seniors abroad in the summer or during the school year and also bringing a foreign exchange student to the school for his senior year.

After careful screening of students, two names are sent to New York where the AFS tries to locate enough homes abroad for U. S. representatives.

At C.V. there is an annual candy sale in order to raise money for C.V.'s representatives. Also, C.V. families can apply to have an exchange student in their homes for the school year. We have always maintained the tradition of having at least two foreign students.

Students Serve C.V. By Working On The Stage and Audio-Visual Crews



The primary task of the Audio-visual crew is to aid and assist teachers who have a limited knowledge of the running operations of the various audio and visual equipment used at C.V. Under the "inspiring" leadership of Douglas Carter, the A.V. crew (Mike Mayer, Don Carlson, Matt Stewart, and David Veden) controls the regulations and repair of all Audio-visual equipment.

P.S. The A.V. crew would like to thank the Girls Gym for keeping our repair shop moving. They broke six tape recorders and record players in one semester.

At left is the hard-working stage crew. Many hours of extra time and work are put into the school by these students. For any show there have to be mikes, curtains, lights, and coordinators. Besides sound men and electricians, there has to be designing of props.

Mr. Gibson is the stage director. For all of C.V.'s plays he designs and helps to build the sets. He is responsible for a smooth running show. The student stage manager, Larry Seaward, must also share in this same responsibility. He must be the overall director of lighting, mikes, set changes, and generally all backstage operations with minimum noise.

The stage crew is, top row, l to r: Ken Nichols, Steve Delgardo, Larry Seaward, Mike Delgardo, Doug Forbes, Mike Moody, Matt Stewart. Second row, Todd Brooks, Karl Boewer, Glenn Balbach, Dan Tretteen, Stuart Morgan, Craig Strickhouser, Jim Svanda. Front row, Jim Tharaldson, Chris Lutz, Gordon Byler, Jay Chouinard, Terry Moore, Doug Wilkins, Bruce Booth.

Below is the Cercle Francais (French Club) headed by advisor Mrs. German.

The Latin Club (or SPQR) is represented by first, second, third, and fourth year Latin students. Those who have completed a second year of Latin and have discontinued the course may join and participate in the club as Barbarians. Chris Coddington led the club this year as President along with Mr. Bachman, the Faculty Advisor.

The French Club (Cercle Francais) is open to all level French students. Each year the club participates in the Fine Arts Fair and "The Day." The members are shown on the opposite page (lower left). The club tries to participate in any activities involving French actors, restaurants or performers.

The Spanish Club, under the sponsorship of Mrs. Powell, enjoyed a population explosion this year. The club totaled more than 100 members.

Cultural activities included a report from Miss McCreery on her trip to the Olympics in Mexico, a Christmas pinata party, and a trip to Olvera Street for Las Pasadas.

Special projects for the year were a trip to Tijuana to see the bullfights and Jai-Alai games, a scholarship for an outstanding senior, and a confetti booth at "The Day".

C.V. Clubs Foster Latin Espanol, Deutsch, and Francais

The newly-organized German Club is an important addition to C.V.'s language clubs. The club's activities have done much to acquaint the students of C.V. with the German people and their culture.

The highlight of the year was the German Club Banquet. Due to the great enthusiasm and dynamic leadership of the club's members, this new organization promises to be a great language club in future years.

The Ski Club provides an opportunity for people with a skiing interest to meet in a social atmosphere. This year's Ski Club has a membership of almost 200. The meetings are held once or twice a month. The club's major activity this year was a three day trip to Mammoth, California, over the weekend of Washington's birthday. Most of the meetings include interesting ski movies. Mr. Fred Lange heads the club as the faculty advisor. The officers are Chris Brenner, Bill Ziegler, Jil Griffith, Chris Ward and Woody Walker.

Students Seek Enjoyment In Drama and Skiing

The Drama Club (left) has been a very active organization this year. Besides producing two series of one-acts and two major plays, **Androcles and the Lion** and **Ring Around the Moon,** members have attended various provocative performances such as **Marat/Sade** and **Dr. Faustus.**

The meetings always provided outstanding student entertainment. The Drama Club's purpose was to provide theatrical experience and an opportunity for self-expression. It also gave members a chance to attend outstanding professional performances.

This year, the Drama Club combined the forces of Theatrophilos to increase membership. The club is open to all three grade levels.

The Science club, new this year, was formed on campus by Faculty Sponsors Mr. Krieffels, Mr. Nemecek, and Mr. Gilliland.

The club's purpose is to increase the understanding of those students who are interested in all fields of science. To achieve these ends, the club plans projects, field trips, and provides speakers.

This year the club has successfully completed a weather station, has begun a radio station, and also visited JPL.

Clubs Express Vocational Interests

All students who are enrolled in a business course are eligible to join the Business Club. The club promotes and supports all activities sponsored by C.V.'s Business Department.

The club is organized to give students opportunities to become aware of current business developments in the world and to mingle with those who share the same interest.

Elected officers of the club include Lorena King, President; Linda Beardneiu, Vice-President; Benita Martinez, Treasurer; and Dona Ruthruff, Director of Publicity. Mrs. Hoiland is the Faculty Advisor.

Some prominent lettermen "buy" the head cheerleader, John Simpson, as their slave for the day.

Uniqueness Sets Goal for 1969 Book

The 1969 **Talon** was born early in the summer months of 1968. Editor Gene Balbach desired to obtain a uniqueness in yearbook standards. Consequently, new ideas and techniques were born into the book, hopefully ones which will set a precedent for future books.

In September the staff got together and conjured all their ideas into one: the idea of a new and great book. It was agreed this would involve covering all aspects of campus life, from the valedictorians to Tobacco Road.

So set the goal of the staff. The actual time allotted to us by the publishing company to complete the book was about seven months. With vacations, finals, and weekends, the time was cut to barely five months. We thought we would never make the deadlines, and some we didn't. But pictures and copy started falling into place, and happily, the book was wrapped up in early April.

It is a tremendous job recreating a year on 256 pages. The rush did not allow for perfection, but the staff made a bold effort.

Girls' League Provides Service & Representation

The Girls' League is a very important part of Student Life because it involves every girl who attends C.V. The Girls' League Board serves as a representative group which voices the opinions of the entire female student body population.

This year's first semester Girls' League Board, under the direction of President Nancy Jimenez, sponsored many activities. Their main project was the annual Backwards Dance with this year's theme of Carnival. The girls worked very hard and were rewarded with a record-breaking attendance.

As a service project to others, the Girls' League collected various and numerous small items. These were sent as gifts to boys in this area that are now serving in Viet Nam.

Below: 1st row, l to r; Georgia Key, Nancy Jimenez, Theresa Kollar. 2nd row, l to r; Cindy Johnson, Jan Bridges, Pam Holmes. 3rd row, l to r; Nancy Dunavant, Bonnie McIntosh. 4th row, l to r; Sara Schuster, Barbara Voegele, Kathy Topper.

In January a new Girls' League Board was elected after potential candidates were presented to an all-female assembly. The girls at Crescenta Valley selected Jan Bridges as president and to serve on the Student Body cabinet. The duties of the second semester board are to present the annual Dad-Daughter Banquet and organize an Easter service project.

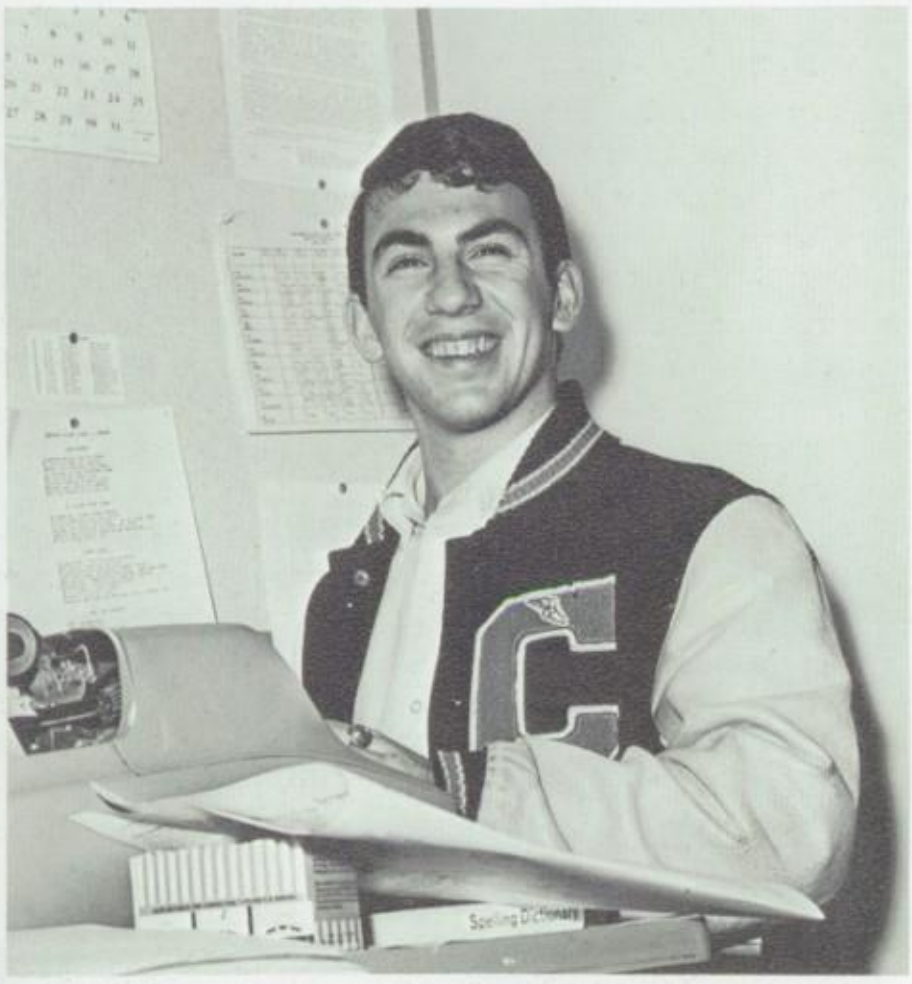
"Dunniwassel and Dobby" was the chosen theme for this year's Dad-Daughter Banquet. It was held on March 17, St. Patrick's Day. The girls and their fathers were entertained by C.V. talent after a delicious dinner.

The officers serving on the Girls' League Board are President, Vice-President, Secretary, Treasurer, Chairman of Publicity, Friendship Chairman, Welfare-Philanthropic Chairman, Social Chairman, Senior Rep, Junior Rep, and Sophomore Rep. There is opportunity for many to serve and encourage the female rights in school activities.

The board is shown at above, top to bottom: Debbie Davis, Maryann Wells, Georgia Key, Carol Key, Vicki Di Salvatore, Christy Courian, Sue Benefiel, Sheri May, Missy Steed, Georg Rodman, and Jan Bridges.

Journalists Spotlight School Activities

"What? Me worry? I'm editor!"



This page is dedicated to Sheri Ward, a former journalism student now living in Hongkong:

Ten dedicated journalists have undertaken the burdensome responsibility of publishing a newspaper every other week. Under the leadership of advisor, Jan Burke, The **Falcon** provides the student body with timely information.

Ray Langston and Mrs. Burke discuss new layout ideas.

The **Falcon** staff includes Matt Miller, editor, and Ray Langston, managing editor. Reporters are Donn Harms, Donna Snyder, June Knatz, Charles Stokes, Keith Furrows, Terry Johnson and Tery Moore.

The **Falcon** is printed by the C.V. print shop under the supervision of Mr. Ed. Carrington.

Staff photographer Roger Vargo is always on the scene to photograph C. V.'s events.

Keith Furrows, Terry Johnson, and Charles Stokes relax after meeting their deadline, (above).

Donna Snyder and June Knatz take a pause from their busy schedule, (right).

Sealbearers (shown above) receive honors at graduation after being in CSF for four semesters. They represent the top per cent of the class and wear gold tassells with their traditional light and dark blue caps and gowns.

National Honor Society And CSF Achieve Academic Excellence

Crescenta Valley's chapter of CSF (California Scholarship Federation) is open to all three grade levels. Candidates must meet the ten point requirement. Three points are given for an A and one is given for a B. Seven of the total points must be received in solid subjects.

Mrs. Steffy is faculty advisor for CSF. The club elects officers each semester. Cake sales, academic retreats, a banquet highlight the year's activities. The club is pictured above.

Mr. Kreiffels heads the populus National Honor Society. Only juniors an dseniors are eligible for membership. The basis for selection is 3.0 average for two semesters and teacher recommendations. Leadership and service are necessary qualifications, (club shown below).

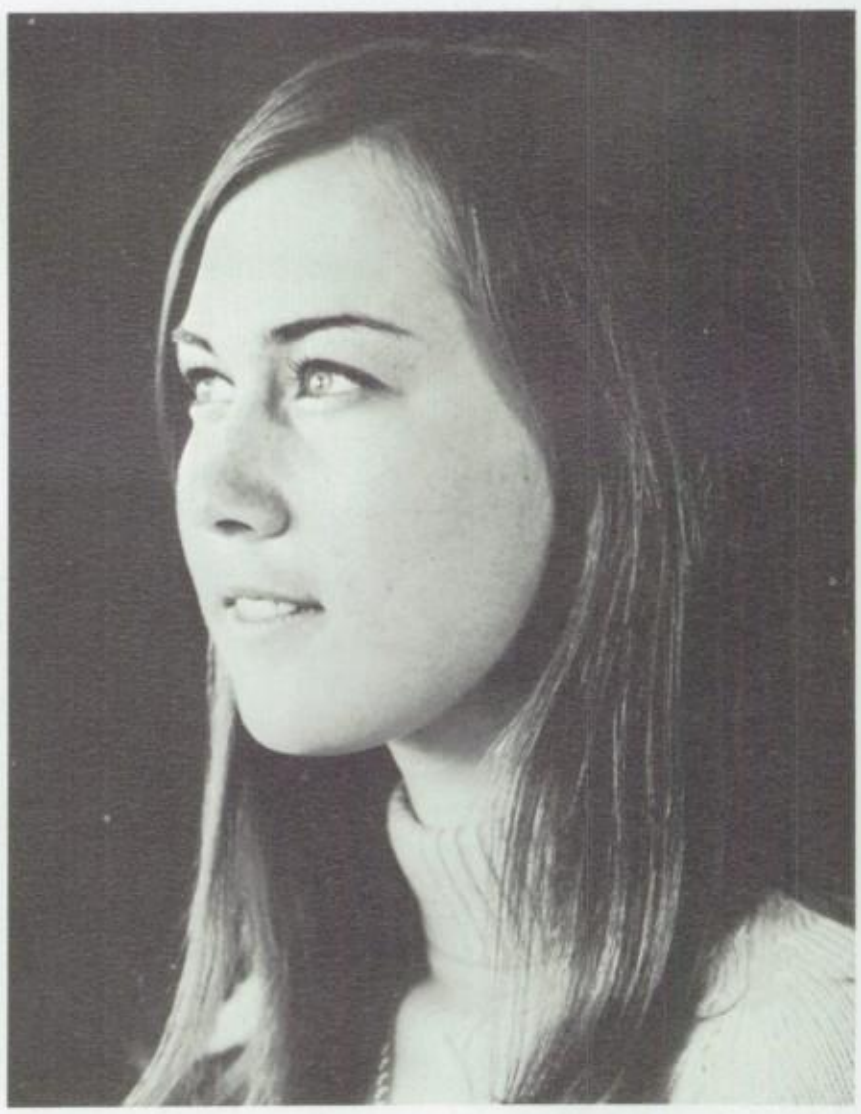
Class of 1969 - Senior Class Officers

Treasurer, Tom Wiggins

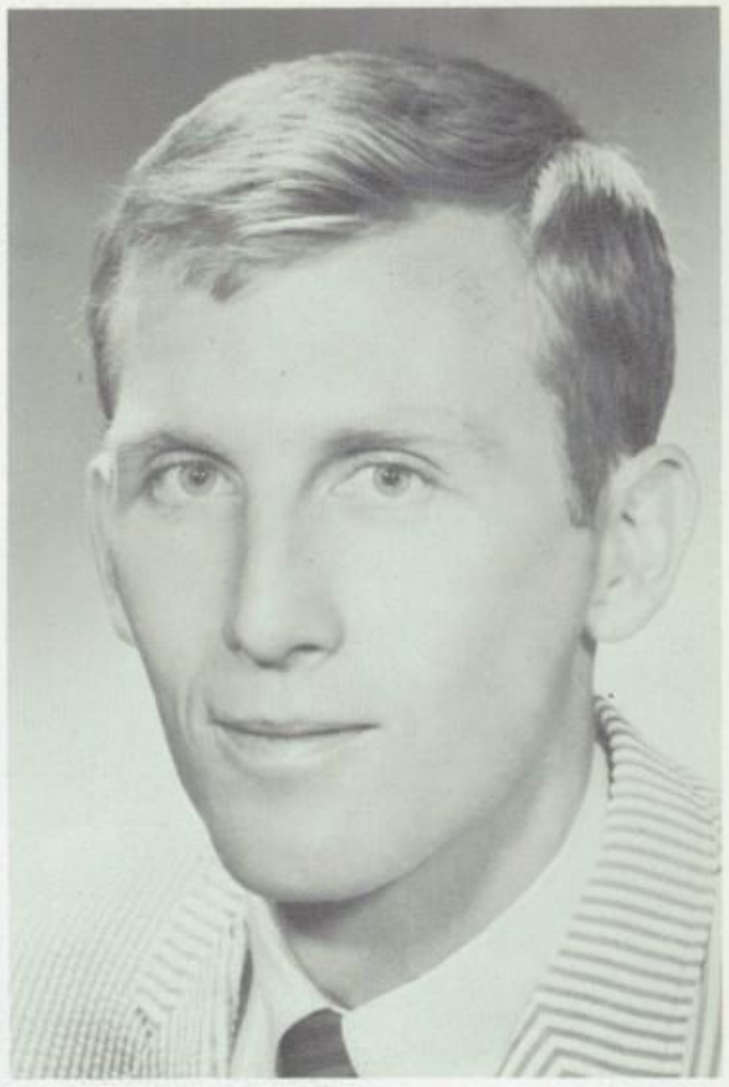


Secretary, Chris Reinhard

Class Of 1969

The Class of 1969 may deservedly reflect on its three years of achievement at Crescenta Valley; it has established new benchmarks of excellence both for itself and for those who follow. If happiness is the pursuit of excellence, the graduating class is well on its way to that goal. It is well to remember, however, that knowledge advances by steps, and not leaps. I would like to extend on behalf of the faculty its sincere congratulations to you on the completion of this first step.

Mr. Fred Mabbutt



Advisors for the Class of 1969, left, Mr. Anthony Wilson, and, right, Mr. Fred Mabbutt.

Only a Book

Sometimes on a quiet night
I sit alone listening to the wind.
There in the emptiness of the night
I recall a year now lost to me.
The friends are gone and
Faces, once familiar, now seem strange and distant.

My high school years are gone;
And I have only my memory,
Which often fails me.
As my eyes travel around the room
They come to rest on a book in a
Lonely corner.

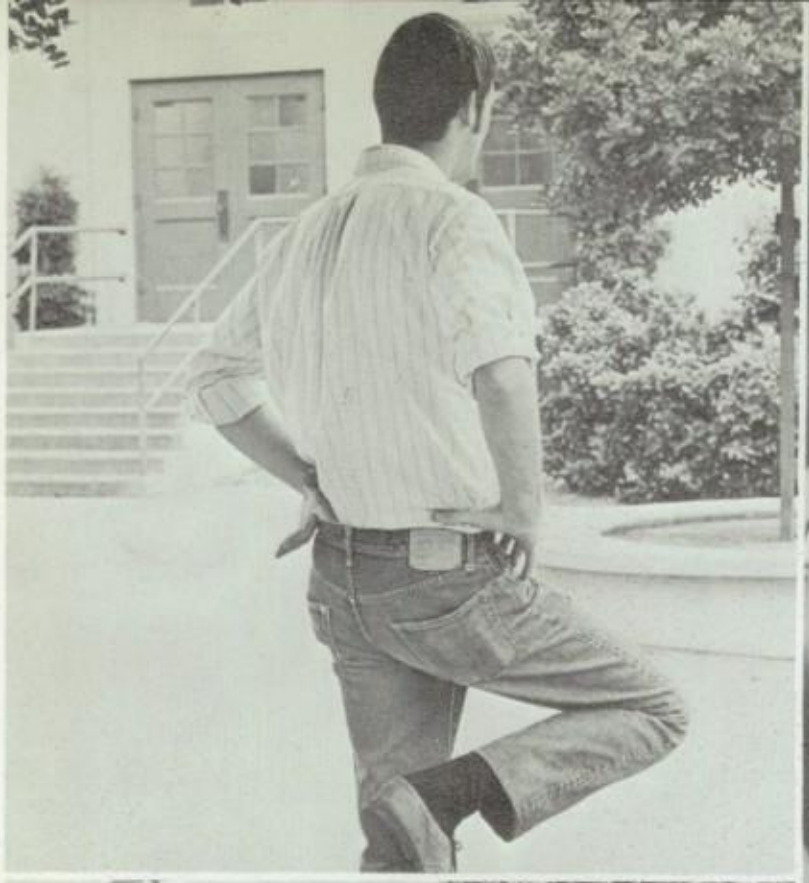
I open its cover;
Pages, once white and crisp, are
Now only vague remnants of paper.
But they still bring to mind all the
Excitement of football games, the
Prom and graduation.
And as I read these things,
Tears begin to form.

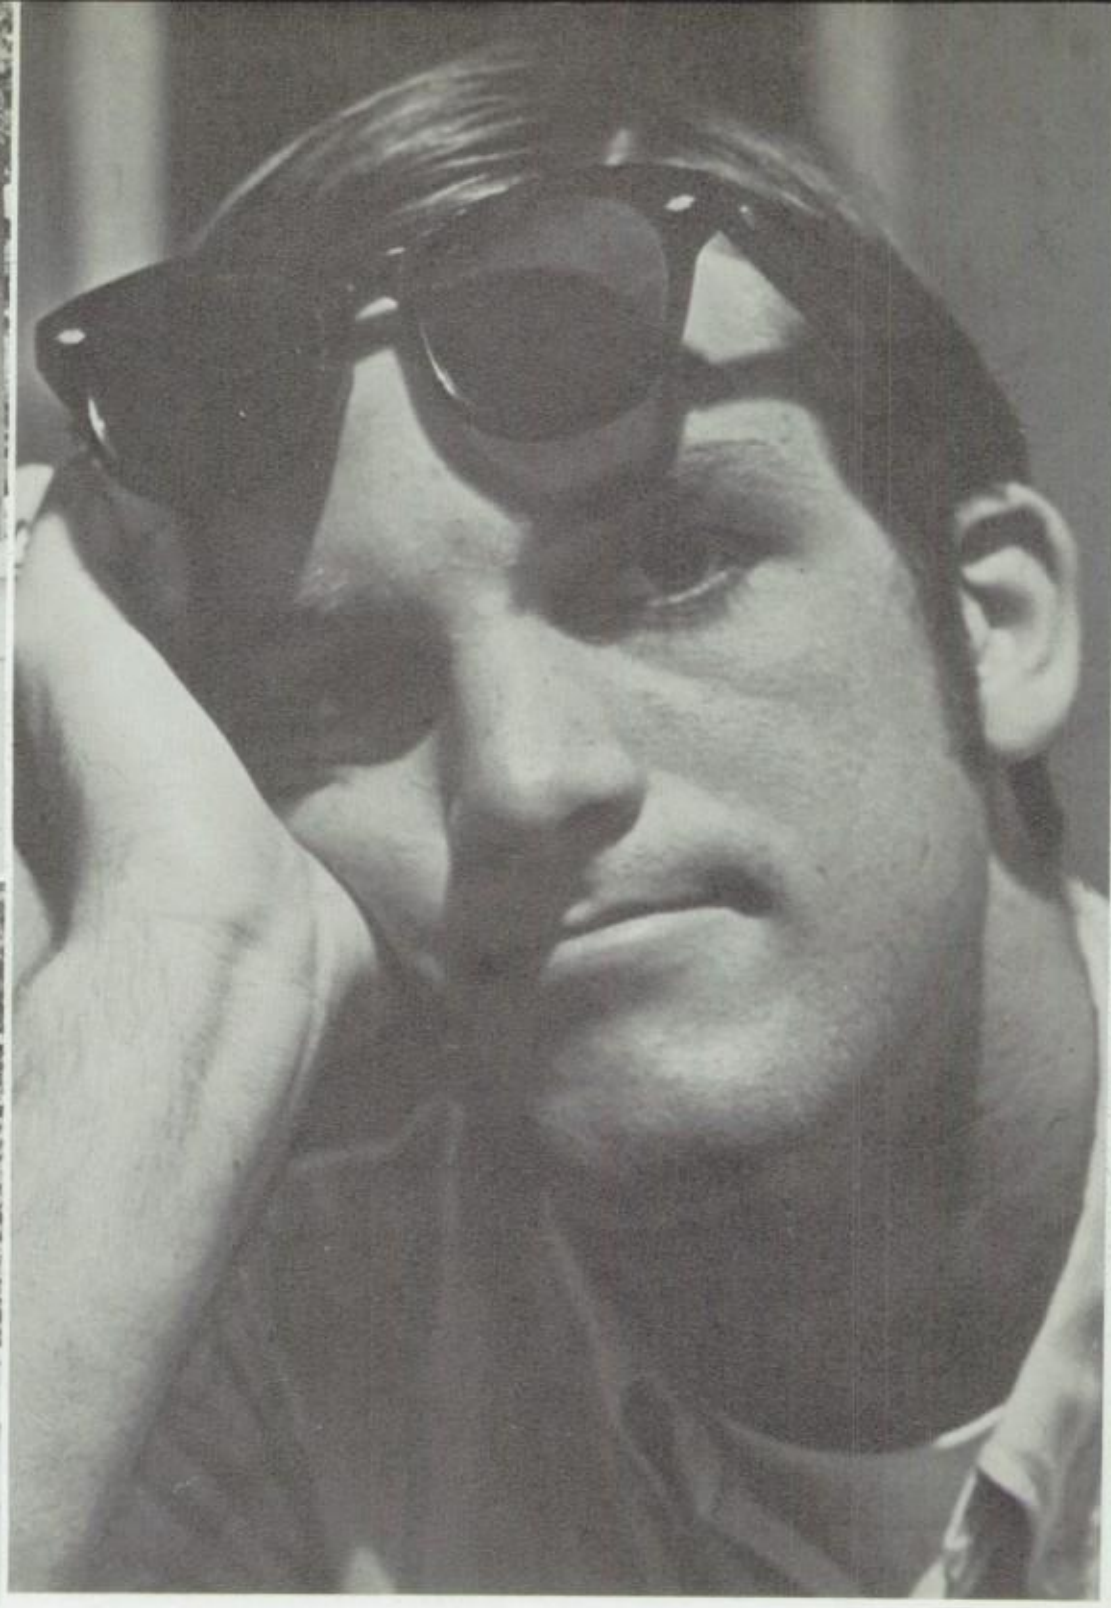
To those who aren't "Falcons,"
This is just a book.
But for me it is a lasting reminder of a year
Gone by.

The joys and trimuphs — the tears
And disappointments —
Are bound in this one book,

TALON '69.

Linda
It's been great this year.
Hope we are still friends
next year. Stay as nice as
you are. Love Always,
Pat
Cimmiller





Closing: Pheww .... it's over!

"Pheww" doesn't begin to describe the relief of the **Talon** staff now that the book is finally finished. We have all totally exhausted our imaginations and resources. It's been this way the whole year.

Alas though, the '68-'69 year is at its end. But it will not disappear completely, for we have a **1969 Talon.** It has that irreplaceable role of fixing certain ideas and events into memorable perspectives, so we can look back and see where we have been before we rush ahead.

I think the book has a great potential in the way that it covers campus life. For example, we have the people of Tobacco Road to balance out the Bank of America award winners. So much more probably could have been done to bring a clearer picture of the year into the book, but time did not allow for it.

With regard to this, I still think the book should be a pretty good one, not yet having seen the finished product. Hopefully it will contain some good perspectives as well as good balance.

For me, the **1969 Talon** has been a real blast!

GENE BALBACH, Editor

SPECIAL ACKNOWLEDGEMENTS

Mr. Douglas Carter, head photographer for the **Culver City Evening Star News,** gave me the unlimited use of his darkroom and all of its equipment. Doug's generosity is unparralled and made the **1969 Talon** possible. My brother, **Gordon Balbach,** gave up a lot of time and money to teach me almost all that I know about photography. **Mr. Tom Hall,** our advisor, and **Jon Nelson,** the printers' rep. were our dependable and personal channels to the out-of-state printer. **Killgore Graphics** did an excellent job of printing the book in Phoenix. **Jeanette LeBarge, Georg Rodman, Nancy Dunavant** and the rest of them pulled through in spite of a lot of problems to produce some really fine work. My friends gave me the raw spirit and soul needed to keep such a project going. And one of those friends has given me that spirit and soul, plus a little happiness for over 10 years. Thanks **Claudia.**

but I need 2 to tell you how
great a friend you are! It's
been a blast knowing you
these last few years (gorge?)
Baseball, Baseball, and more
Baseball!! Good luck in everything
thing you ever do.

Lynn,

Congradulations! You're finally made it. I can't believe it and I doubt if you can.

Remember all the fun we had over the years. In 4th grade with old Mr Horn and all those things we used to do to her. And 5th grade with Patty. Remember that fight you guys had? And how about 6th grade. That was an awful year because you missed Barry. Boy, was I glad when he moved. 7th, 8th and 9th grades were fun I guess. I can't remember too much that happened then. 10th grade was OK for part of the year. I'm sorry about everything that has happened since I know you were hurt and I'm sorry about it. You know I didn't mean to start that fight.

Look, it's been great seeing you again. Too bad a few things can't be forgotten.

Best of luck always.

Love,

Dan

LINDA-
THROUGH THE
YEARS I'VE KNOWN
YOU, WE'VE BEEN FRIENDS
BUT HOW HARD CAN IT
BE TO BE FRIENDS WITH SOME-
ONE LIKE YOU? YOU'RE A UNI-
VERSAL PERSON- LIKED AN DO LIKE
EVERYBODY. GOOD LUCK IN FUTURE-
LINDA & DENNY

-Hello-
What a time to
sign, but it relieves
the mind from those
damn genetics problems.
I know that I really did
bad. I hope we both pass
though. Well anyway have
fun this summer and always.
Your a "swell" person. See ya later

Linda,
you've really been a sweet kid.
I shall never forget all of the good times & all of the rides to school & home from school. Listen Linda- you had letters not ever lose contact- you hear? Because I would really like to. I'm not any good for words so I'll share the page with someone else. We finally made it!!! always,
Brenda

Good Luck & may God Bless you always

Linda, it's been
well, it's been fun (I hope!)
well, it's been fun (I hope!)
a long, hard year - but
but it made it - (I hope again!)
we made it - (always!)
there for each other always
Although we've had our
differences, we've had
remember the good times
to forget the
easy to forget
always!

Dear Linda,

My words cant begin to express my deepest thoughts of you. You are really one in a million. Your friendship has meant so much to me in the past & I hope we will be close forever. I'll never forget all our nifty activities & our great talks.

Linda, you have so much talent & potential, & I know God will bless you richly. Stay just like you are always.

Love always,
Barbie

Linda-
It's been great
in Biology with you
next to me for me to
copy + learn from you. Let's
see if Lucks in your future endeav-
ors in Biology + have a fun summer.

P.S. Let's of
Lucks in your future.
